Patrol Inventory Details

Tent – 3 per patrol

Troop 173 has invested in the use of the Alps Mountaineer, four person, Meramac ZF series Tent. The Meramac ZF series Tents are all free standing 2-pole designs with shock corded fiberglass with aluminum ferrules. The ferrules are the "connectors" that hold the poles together. The fiberglass poles are also normally one size larger than normal to offer a sturdier, stronger Tent. The Tent is made with lightweight but strong polyester fabrics. The walls are uncoated so the Tent can "breathe" under the urethane coated fly. The fly uses a pole in the top, which provides an awning over each door for excellent rain protection. The fly is

also full length on the sides for better weather protection. The seams on the floor and fly are factory sealed for maximum water repellency. Entry and exit are enhanced with 2 doors, which means if you have to get out at night, you don't need to crawl over the others to get to the only door. The second door is also nice for extra ventilation in hot, muggy weather. The door zippers are a #10, which is one size larger than most, for extra durability. The floor used in the ZF models is a 4 oz. nylon oxford, which is almost twice as heavy as normal nylon taffeta floors.

Features

- Free Standing 2 Pole Design with Fiberglass Poles
- 75D 185T Polyester Fly resists UV damage and stays taut
- Factory Sealed Fly & Floor Seams gives best weather protection
- 210D 110T Nylon Oxford Floor with 1500mm Multi-pass Urethane Coating
- Extra Large #10 Zippers on Doors and Vestibules
- Easy entry with 2 Doors and "single zip operation"
- Great Ventilation with 2 zippered windows in the doors
- Weatherproof Fly with a Ridge Pole provides an Awning over each Door).

Specifications

- Base Size: 7'6 x 8'6
- Center Height: 5'
- Tent Area: 64 sq. ft.
- Tent and Fly Weight: 11 lb. 14 oz.
- Total Weight: 12 lb. 10 oz.
- Packed Size: 7" x 25"
- Pole Diameter: 11 mm.

Material

- Fly: 75D, 185T, Poly Taffeta, 1500mm Multi-pass Urethane coating
- Floor: 210D, 110T, Nylon Oxford, 1500mm Multi-pass Urethane coating
- Walls: 70D, 190T, Nylon Taffeta
- Mesh: Nylon No See-um Mesh, 40D

Lantern – 2 per patrol

The Coleman Twin High-Power LED Lantern is an extraordinarily bright and reliable battery operated light. The Twin High-Power LED Lantern features four Cree LEDs, providing an impressive 580 lumens of light. On a set of 8 D-cell batteries, the lantern will run up to a full 100 hours on Low, and 10 hours on High. The lantern's rotating dial lets you shed just as much light as you need—from Ultra-Low to High. The High-Power LED Lantern is durably constructed to be weather-resistant, so it stands up to the elements.

Specifications:

- 16 x 7.5 x 9 inches
- 3.6 pounds

5 Gallon Collapsible Water Jug – 1 per patrol

The 5 gallon Fold-A-Carrier is a durable collapsible water container that is made from high-grade polyethylene. Even in extremely cold temperatures the Fold-A-Carrier remains flexible. The spigot design offers an integrated on/off feature and is completely leak-proof. The comfortable handle is attached via two sturdy metal clips and folds down, making the Fold-A-Carrier even more compact. This item is stored in one of the three 11x16 inch draw top mesh bags.

Specifications:

- Length: 12.00 Width: 4.00 Height: 16.00
- Weight: 0.65lbs (empty), 41.7lbs(full)

Backpack Stove - Flash Personal Cooking System – 2 per patrol

Designed to capture and focus heat more efficiently than traditional cooking systems, the Flash brings two cups of water to a boil in only two minutes. The Flash's 1-liter insulated, and hand-anodized aluminum cooking cup connects directly to the high performance burner. An electronic igniter makes lighting the burner easy. A neoprene lining insulates the cooking cup. A sip-through lid further helps insulate the contents of the cooking cup and prohibits spills. The protective plastic bottom of the cup can be removed for use as a small bowl or measuring device. The entire Flash cooking system can be stowed inside the cooking cup, reducing the entire 15 oz Flash to only 4.1" x 7.1" of packed size. The Flash requires the use of a Jetpower Fuel canister. Each fuel canister stows inside the Jetboil cooking cup.

Includes:

- Fuel Stand
- Burner
- Protective Cup
- Lid
- Cooking Cup
- Neoprene Liner

Specifications:

- 9 x 6 x 5 inches
- 1 pound

Specifications

- 12 x 11 x 8 inches
- 10 pounds

Knife Set – 1 per patrol

The blades in this set of slim, lightweight knives are stamped in stainless steel, and their edges are microserrated and therefore touted as never needing sharpening. The handles are formed of tough polypropylene and are seamless, allowing for better hygiene. While the knives are dishwasher-safe, they should be hand washed to preserve their edges.

The set includes

- 8-inch chef's knife
- 8-inch bread knife
- 6-inch utility knife
- 6-inch boning knife for meats, poultry, and fish
- 5-inch tomato knife with a narrow, curved blade
- 2-1/2-inch paring knife for peeling and cleaning vegetables and fruits.

Utensil Holder – 1 per patrol

We use the Bucket Boss Tool Roll to hold most of the patrol's small hand utensils. The 18 oz. Duck wear canvas is used to protect the utensils from getting scratched, scrapped or dinged. There are 22 pockets, 3 small Velcro pockets and 17 loops to hold utensils in place.

Utensil Set – 1 per patrol

This basic 5-piece utensil set includes a:

- Spatula
- Ladle
- Skimmer
- Slotted spoon
- Serving spoon

Each tool is stainless steel, measures approximately 14-inch long, has a hole in the handle that allows for hanging and is dishwasher safe.

Can Opener – 1 per patrol

The EZ-DUZ-IT deluxe hand-held, gear driven can opener is a heavy duty swing design can opener. It is made of heavy gauge steel and features chrome plated carbon steel handles and crank with a hardened and sharpened carbon steel cutter. The can opener's gear driven design allows for a smooth, easy operation. The EZ-DUZ-IT is built to last. It measures 7.25-inches in length. Wash by hand with warm, soapy water.

Peeler – 1 per patrol

The swivel peeler's flexible, rotating stainless-steel blades make peeling simple by contouring to almost any surface shape. The built-in potato eye remover is durable and can easily carve out blemishes without digging. The peeler features a durable, nonslip, flexible handle. Made from the same material as dishwasher gaskets, the handles are slip-proof--wet or dry--as well as dishwasher-safe.

Bottle Opener – 1 per patrol

The Bottle Opener has two functional ends, one for opening bottles and the other for punching cans. Soft, non-slip grip. Made of stainless steel with a brushed finish that is dishwasher safe.

Cutting Board – 1 per patrol
